Skippers looking for crews.....

If you are looking for crew, contact the secretary:

secretary@pyra.org.uk with details of what you require, which will be posted on the Crew List webpage.

The Crew List is posted on the PYRA web page

www.pyra.org.uk/pre-sailing/crew-list

Information will be added to the crew list until the end of the season or until you ask us to remove it.

PYRA do not warrant the competence of skippers or seaworthiness of their yachts. Crews should therefore satisfy themselves on these points.
